Re: *Christopher Hudson, in his individual capacity on behalf of himself and others similarly situated, v. National Football League Management Council, et al.,*
1:18-cv-04483-RWS

Judge Sweet:

This firm represents Defendant National Football League Players Association in the above-referenced matter, and the undersigned writes on behalf of all parties to respectfully request that the motion hearing for Defendants' motions to dismiss currently scheduled for December 18 be reset for argument on December 19, 2018, at noon. There have been no previous requests to reset the hearing and this request would not affect any other scheduled dates.

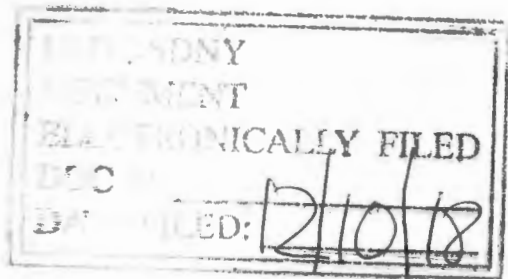

At the November 27 scheduling conference, the Court set the Defendants' motions to dismiss for argument on December 18, 2018. After the conference, counsel discovered a scheduling conflict and so conferred with all parties and the Court's Deputy Clerk regarding resetting the motion hearing. The undersigned understands that the Court is available to hear argument on the motions on December 19, 2018, at noon, and all parties have consented to moving the argument to that date and time.

Thank you.

Respectfully submitted,

/s/ William G. Miossi
